Southwest Styling

Located in the gated enclave of Desert Skyline Estates, this custom home is perfectly situated on a 1.4 acre corner lot with elevated positioning.

At over 4,700 square feet with straight line Southwest styling, the great room floor plan features a spacious kitchen, wet bar, and breakfast nook all opening to the family room with a soaring ceiling, corner fireplace, and built in entertainment center.

The extensive use of clerestory and picture windows throughout creates an open and bright feeling and capitalizes on the lush desert landscaping and open area surround. The master suite is split from the three additional bedrooms, two that share a jack and jill bath and the third ensuite with backyard pool access. Additional living spaces include a den off the entry with bonus office workspace, formal living and dining rooms, powder bath, large laundry, and a craft/storage room with sink and built in cabinets.

The backyard has a pool with elevated spa and rock waterfall feature, built in BBQ, stately saguaros, expansive flagstone covered patio with fireplace, and a spiral staircase leading to the view deck with panoramic views including famed Pinnacle Peak, Troon Mountain and city lights. The four-car side entry garage has a separate drive from the circular guest driveway which leads to the grand entry.
